# Political Parties Act

---

This document, last compiled by **CreepilyCreeo**,  
includes all legislation enacted and amended  
up to and including the **Political Parties Amendment Bill**  
passed on **6th October 2024**.

## Political Parties Act

A political party is defined as a political organization which operates exclusively in Icenia. The party needs to provide a platform in their own thread in #democracy-forum. Additionally, the President is barred from joining any political party.
