City Council Voting Act

1. City Council of Icenia City

- (1) Icenia City is governed by a City Council, composed of Members of the City Council, elected in accordance with Section 2.
- (2) The target number of Council Members is 5. If vacancies exist due to a failure of confirmation or a recall, the Council may continue to operate with a minimum of 3 members. If membership falls below 3, a mandatory by-election must be called within 7 days.
- (3) The City Council of Icenia City is led by the Mayor of Icenia City, who is appointed from among the Members of the City Council by simple majority vote.
- (4) The Mayor of Icenia City organizes the activities of the City Council of Icenia City.
- (5) If the City Council of Icenia City has a tied vote, the Mayor of Icenia City may cast a tie-breaking ballot.

2. Election of Members of the City Council

- (1) In the second full week of each month, the Mayor shall conduct a Monthly Confidence Referendum.
 - (a) The ballot shall ask: "Shall the current Council continue for another term?"
 - (b) If an enhanced majority ($\geq 66\%$) of voters select "YES," no general election shall be held that month, and the current Council's term is extended by 30 days.
 - (c) If the referendum fails, a general election must commence in accordance with Section 2(2).
- (2) The Mayor of Icenia City must—
 - (a) call for the registration of candidacies for Member of the City Council no later than 48 hours before the date of each City Council election; and
 - (b) designate a public channel, which must be easy for all Citizens of Icenia City to access and

utilize, to facilitate the registration of candidacies for judicial office.

- (3) A Citizen of Icenia City intending to stand for election to serve as a Member of the City Council must register their candidacy through the channel designated by the Mayor of Icenia City in terms of Subsection (2)(b) at any time after the Mayor has called for the registration of such candidacies.
- (4) If 6 or more candidates register, a Single Transferable Vote (STV) election shall be held to fill 5 seats.
 - (a) Upon the commencement of elections, each Citizen of Icenia City shall cast one ballot, ranking candidates in order of preference for each City Council position being filled. Voters may rank as many or as few candidates as they choose, but may not assign the same rank to multiple candidates.
 - (b) The procedure of Single Transferable Vote (STV), as described in specific within the Constitution of Icenia, shall be the governing method of vote tabulation and seat allocation for City Council Elections.
- (5) If 5 or fewer candidates register, the STV process is suspended in favor of a Confirmation Ballot:
 - (a) Each candidate shall be listed individually with the options **APPROVE** or **ABSTAIN**.
 - (b) A candidate is only seated if they receive an **APPROVE** vote from at least 40% of the total ballots cast in that election.
 - (c) Seats for candidates who fail to meet this threshold shall remain vacant.
- (6) The Mayor of Icenia City shall certify the election results and formally appoint the candidates elected to the City Council.

3. Removal of Members of the City Council

- (1) Members of the City Council may be removed by an Enhanced Senate Motion with Presidential assent.

- (a) If a Member of the City Council is removed by the Senate, the City Council must determine, by way of simple majority vote, whether to host a by-election to replace that Member.
 - (b) By-elections must be held in accordance with the procedure envisioned in Section 2(2)-(4), with a single position available to be filled.
- (2) Any Citizen of Icenia City may initiate a petition to trigger an Emergency Confidence Referendum. Upon the presentation of a petition containing the signatures of 33% of the registered active electorate, the Mayor (or the Senate, in accordance with Section 4.2a) shall verify the signatures and announce a referendum.
 - (a) Within 48 hours of verification, an Emergency Confidence Referendum shall be held. The question and procedure shall be identical to the Monthly Confidence Referendum established in Section 2(1).
 - (b) If the Emergency Referendum fails to achieve a simple majority (50% + 1), the current Council is immediately dissolved, and a general election cycle must commence as described in Section 2.
 - (c) To ensure government stability and prevent administrative abuse, once a Dissolution Petition has been verified and a referendum held, no further dissolution petitions may be filed for a period of 30 days.

4. Citizens of Icenia City

- (1) A Citizen of Icenia City is designated in accordance with Section 2(3) of the Icenia Capital Territory Amendment of the Icenian Constitution. For convenience, the definition is restated below:
 - (a) any Icenian Citizen who maintains a primary domicile within the geographic boundaries of Icenia City, as established in Section 1, and
 - (b) who has been registered on the City's electoral roll as "Active" for a minimum of fourteen (14) consecutive days prior to the election.

- (c) Residency shall be verified through documentation or registration procedures established by local law.
- (d) Temporary visitors, non-resident property owners, and individuals domiciled outside Icenia City shall not be considered residents for electoral purposes.

This definition shall be interpreted in alignment with the original constitutional language and subject to any future amendments or clarifications within the Constitution.

- (2) The Mayor of Icenia City, in consultation with the City Council of Icenia City, is responsible for designating Citizens of Icenia City.
- (3) If the City Council of Icenia City is vacant, or is otherwise incapable of designating Citizens of Icenia City, the Senate may designate Citizens of Icenia City.
- (4) The Senate, in consultation with the President, may adjudicate disputes regarding whether to designate an individual as a Citizen of Icenia City.
